

Host a Corporate Clothing Drive

Our corporate clothing donors are a vital part of Dress for Success NSW & ACT. Thank you for helping us support our Clients to get that life-changing job and on their way to a brighter, more independent future.

Here are some tips to help you host your clothing drive:

Step 1 What to donate

Follow our Clothing Drive Donation Guidelines to see our current clothing needs, and what items we can and cannot accept.

Step 2 Set up a fundraising page

Set up a fundraising page in 5 minutes by clicking [here](#). This fundraising page will be your “one-stop shop” to give participants key information about your drive.

Step 3 Contribution fee

Once you set up your fundraising page, we will send you an invoice for \$500 which covers logistics costs.

Step 4 Design your marketing collateral

Contact our fundraising team at Dress for Success at fundraising@dfsnswact.org for images, logos and other information if needed.

**We hope you have
a wonderful successful
clothing drive.**

Frequently Asked Questions

1. What clothing is good to donate?

Our focus is to style vulnerable women in work-appropriate high quality clothing. We welcome new and gently pre-loved clothing, shoes, handbags, and accessories (we love tags on!). If in doubt, ask yourself 'would I give this to a friend to wear?'.

2. Is the contribution fee (\$500) compulsory?

Yes, the contribution fee is essential. Dress for Success NSW & ACT is a volunteer-powered, not-for-profit organisation dedicated to providing free services to support our clients in their professional careers and journey toward financial independence. This fee helps cover vital administration and logistics costs, enabling us to continue making a meaningful impact for our women in need, for free.

3. Who will get benefit from our donation?

Your generosity will empower over 2,500 women across NSW who are navigating vulnerable life stages. Through your support, Dress for Success NSW & ACT helps these women to a brighter, more independent future, transforming their lives and empowering them to reach their full potential.

We are sincerely grateful for your support.
